

W **H** **Y** **SIOUXLAND CATHOLIC RADIO?**

“As I hear people's stories of how their **faith** in Jesus and the **Church came alive**, they often **mention** Siouxland Catholic Radio. They **experience** Jesus, their **hearts are opened**, and their **hunger to grow** in their **faith is filled** by Siouxland Catholic Radio. If we judged things by their fruitfulness, I have **seen Siouxland Catholic Radio bear fruit.**”

WHY SIOUXLAND CATHOLIC RADIO?

“Supporters, cynics, and critics asked ‘Why do we hear **Mater Dei on Siouxland Catholic Radio 88.1FM?**’ Mater Dei became an **underwriter to create more connections** with our parishioners beyond our bulletins and social media. **It has and then some.** People from all over Sioux City and South Sioux City came to our recent parish mission retreat. The participants noted on the survey they **heard about the retreat on Siouxland Catholic Radio.** The participants **really wanted to learn** how to become **intentional disciples.**”
