Grain Donations Procedures
St. Gabriel Communications -
Siouxland Catholic Radio

- **St. Gabriel Communications/Siouxland Catholic Radio (hereafter referred to as St. Gabriel Communications)** accepts donations of grain from farmers with local elevators for charitable use.
- A representative from **St. Gabriel Communications** will open an account with the elevator, if not previously established, in anticipation of the grain donation. **Please contact** Lisa Niebuhr or Ann Reed at the station (**phone:** 712-224-5342; **email:** lisaniebuhr@fhcradio.com or annreed@fhcradio.com) or Kathy Pynn (via email at kapyynn@aol.com) in advance so an account can be established prior to delivery.
- The farmer must deliver grain to the elevator or currently hold grain in their name to provide proof of production.
- The farmer transfers the ownership title of the commodity to **St. Gabriel Communications by December 26 of each year.**
- The farmer contacts **St. Gabriel Communications** regarding the grain donation.
- **St. Gabriel Communications** must make the final decision to sell the grain.
- The donor does not recognize the income from the sale of the grain.
- **St. Gabriel Communications** will send an acknowledgement to the farmer for the grain donation.
 - The acknowledgement will indicate the number of bushels of donation grain and the date the grain was received.
 - Since grain is a property or “non-cash” contribution, the value of the donation will not be included.
 - A copy of the check from the elevator, the grain transfer form, and other applicable forms provided by the grain elevator will also be included.
- **Please note:**
 - **Contracted** grain sales will **not** be accepted as a grain donation.
 - Gifts of grain are accepted as a **donation to the station.**
 - All gifts of grain must have a minimum value of \$1,000.00.
- **Disclaimer:** Information contained here is not professional or legal advice. Consult your tax advisor first about your individual tax situation.
