Eucharistic Miracles of the World

Guide for Parishes and Organizations

What is a Eucharistic Miracle?

Eucharistic miracles consist of unexplainable phenomena occurring after transubstantiation, such as a host visibly transforming into human tissue, a host surviving fire, a host bleeding, or the Eucharist alone providing sustenance to a human being for a prolonged period of time. In order to be considered a Eucharistic miracle, the event is investigated by a special task force before deciding whether it is worthy of belief. Secular sources are often used to investigate and confirm the miracle. Belief in approved miracles is not mandated by the Catholic Church but can reassure believers of God's presence in our world.

About the Exhibit

Siouxland Catholic Radio is proud to provide the powerful Eucharistic Miracles of the World Exhibit thanks to the generosity of the Garrigan Knights of Columbus Assembly #265 and their supporting Councils.

This Vatican-approved international exhibit was designed and created by Blessed Carlo Acutis, Servant of God. Blessed Carlo, an artist, cartoonist, and avid computer enthusiast created the art for the panels before his death from leukemia at age 15. His goal during his short life was to help bring others closer to Jesus through awareness of the mystery of the Eucharist. Blessed Carlo received the sacrament of the Eucharist daily and desired to share the joy of Christ's presence with the world through his God-given talents. The exhibit is presented in the United States by the Real Presence Eucharistic Education and Adoration Society.

The exhibit features sixty (60) 2'x5' detailed vinyl panels highlighting some of the most powerful Eucharistic Miracles of the World. Each panel tells the story of a Eucharistic miracle and is accompanied by photos and artwork. The panels were selected from 152 recognized accounts that date from as early as the third century. All the miracles displayed in this exhibition have been recognized by their local bishops. The exhibit's purpose is to increase awareness of the Real Presence of our Lord in the Eucharist and promote Eucharistic adoration.

Some panels in the exhibit have several miracles contained in one panel. There are several miracles that have more than one panel illustrating the miracle. The panels are sequentially numbered (see the top number in the upper-right-hand corner of the back of the panel) to match the list above. The set-up of the panels should be placed in numerical and date order to ensure that the grouping of the panels for the miracles are in proper sequence. Each panel has its own easy-to-assemble, x-frame stand. The panels illustrate both graphic and written depictions of the miracles.

Electronic copies of the banners in Spanish are available from Siouxland Catholic Radio. Electronic copies of the banners are also available in nine other languages at <http://www.therealpresence.org/eucharst/mir/a3.html>.

Exhibit is Free to View

Thanks to the Garrigan Knights of Columbus Assembly #265 and their supporting Councils, Siouxland Catholic Radio provides the ***Eucharistic Miracles of the World*** exhibit at no cost to parishes and organizations. There must never be an admission fee or tickets sold for people to

see the exhibit. Siouxland Catholic Radio provides a locked donation box to accept free-will offerings (*see also page 10*).

We ask you to place this free-will offering box on a small display table near the exhibit. Funds collected are used for the maintenance and possible expansion of the exhibit. All donations above expenses are provided to the Real Presence Eucharistic Education and Adoration Association, the non-profit organization who generously allowed the Garrigan Assembly #265 and supporting Councils to present the exhibit to Siouxland Catholic Radio.

Siouxland Catholic Radio also invites you to make a tax-deductible donation for the maintenance and possible expansion of the exhibit.

Invite the Knights of the Holy Eucharist to Speak at Your Exhibition Event

The Knights of the Holy Eucharist (KHE), founded in 1998 by Mother Angelica of EWTN, are a community of consecrated lay Franciscan brothers dedicated to the adoration of and fostering reverent devotion to Our Lord in the Most Blessed Sacrament of the Eucharist.

The KHE will tailor their talks for parishes and organizations based on the group being addressed (e.g., young children, teens, or adults). The KHE want to understand what you would like to emphasize most regarding the Eucharist, depending on the audience. You may wish to highlight the benefits of attending regular or daily Mass to receive the Eucharist, increase Adoration of Our Lord in the Blessed Sacrament, and/or promote more intentional Perpetual Adoration.

Contact Brother David Mary directly to schedule one or more sessions about the Eucharist at your event while the Eucharistic Miracles of the World exhibit is being displayed. A minimum of two weeks' notice is required ahead of the desired date. Please contact the KHE as soon as possible. All requests must include details of the scheduled dates, times, and expectations. Please contact Brother David Mary at:

Knights of the Holy Eucharist
7303 N 112th Street
Waverly, NE 68462

Email: knightsinfo@gmail.com

Web: <http://www.knightsoftheholyeucharist.com/>

The KHE is a lay apostolate of consecrated Franciscan Brothers under the direction and guidance of the Diocese of Lincoln. Manage Your Exhibition Event

Be mindful of where and how you set up the Eucharistic Miracles of the World exhibit. You will need a reasonable amount of space, plus a small table for display-related materials. Many parishes set up the exhibit either in their church hall, narthex, or school gym.

When setting up the exhibit, you may want to put them in sequential order (*see pages 5-6*), by country, or by category. Please return the banners in sequential order.

Set Up a Small Display Table Near the Exhibit

As noted on page 7, you will need a small display table (e.g., 4'x4' or a 6'x6' table) for the free materials and items listed below provided by Siouxland Catholic Radio as part of the exhibit. We suggest a table with a nice-looking tablecloth placed near the exhibit's entrance.

Best Practices: Get Youth Engaged in Your Exhibition Event

Our Lady of the Holy Rosary Church in Glenwood, Iowa, displayed the Eucharistic Miracles of the World exhibit to celebrate 20 years of adoration. During this celebration, they were also intent on engaging their youth in learning about the Real Presence of Jesus in the Holy Eucharist. Guided by the Holy Spirit, the teacher of the Senior CCD Class, Monica Hughes, and assistant teachers, Mary Sneed, and Deb DeYoung, were inspired with an incredible plan.

First, about two weeks before the scheduled exhibition event, the teachers discussed with the class what a Eucharistic Miracle is (see page 4). Then they assigned each senior student a Eucharistic Miracle to research (see pages 5-6).

During the CCD class, each student was asked to pull out their cell phone, search for their assigned miracle on the Real Presence Website (see page 12) and study the interesting facts and findings about “their” miracle.

Next, the teachers set aside a Wednesday evening from 6:00 p.m. to 8:30 p.m. for the youth of the parish to view the Eucharistic Miracles exhibit together as a group. The Senior CCD Class led the instruction of over 150, 3rd through 11th graders about the Eucharistic Miracles. Each senior stood by their assigned miracle's panel, and as the youth rotated through the exhibit to view and learn about each miracle, it was the responsibility of each senior to teach and discuss the miracles with the youth.
